

Practice what
you preach

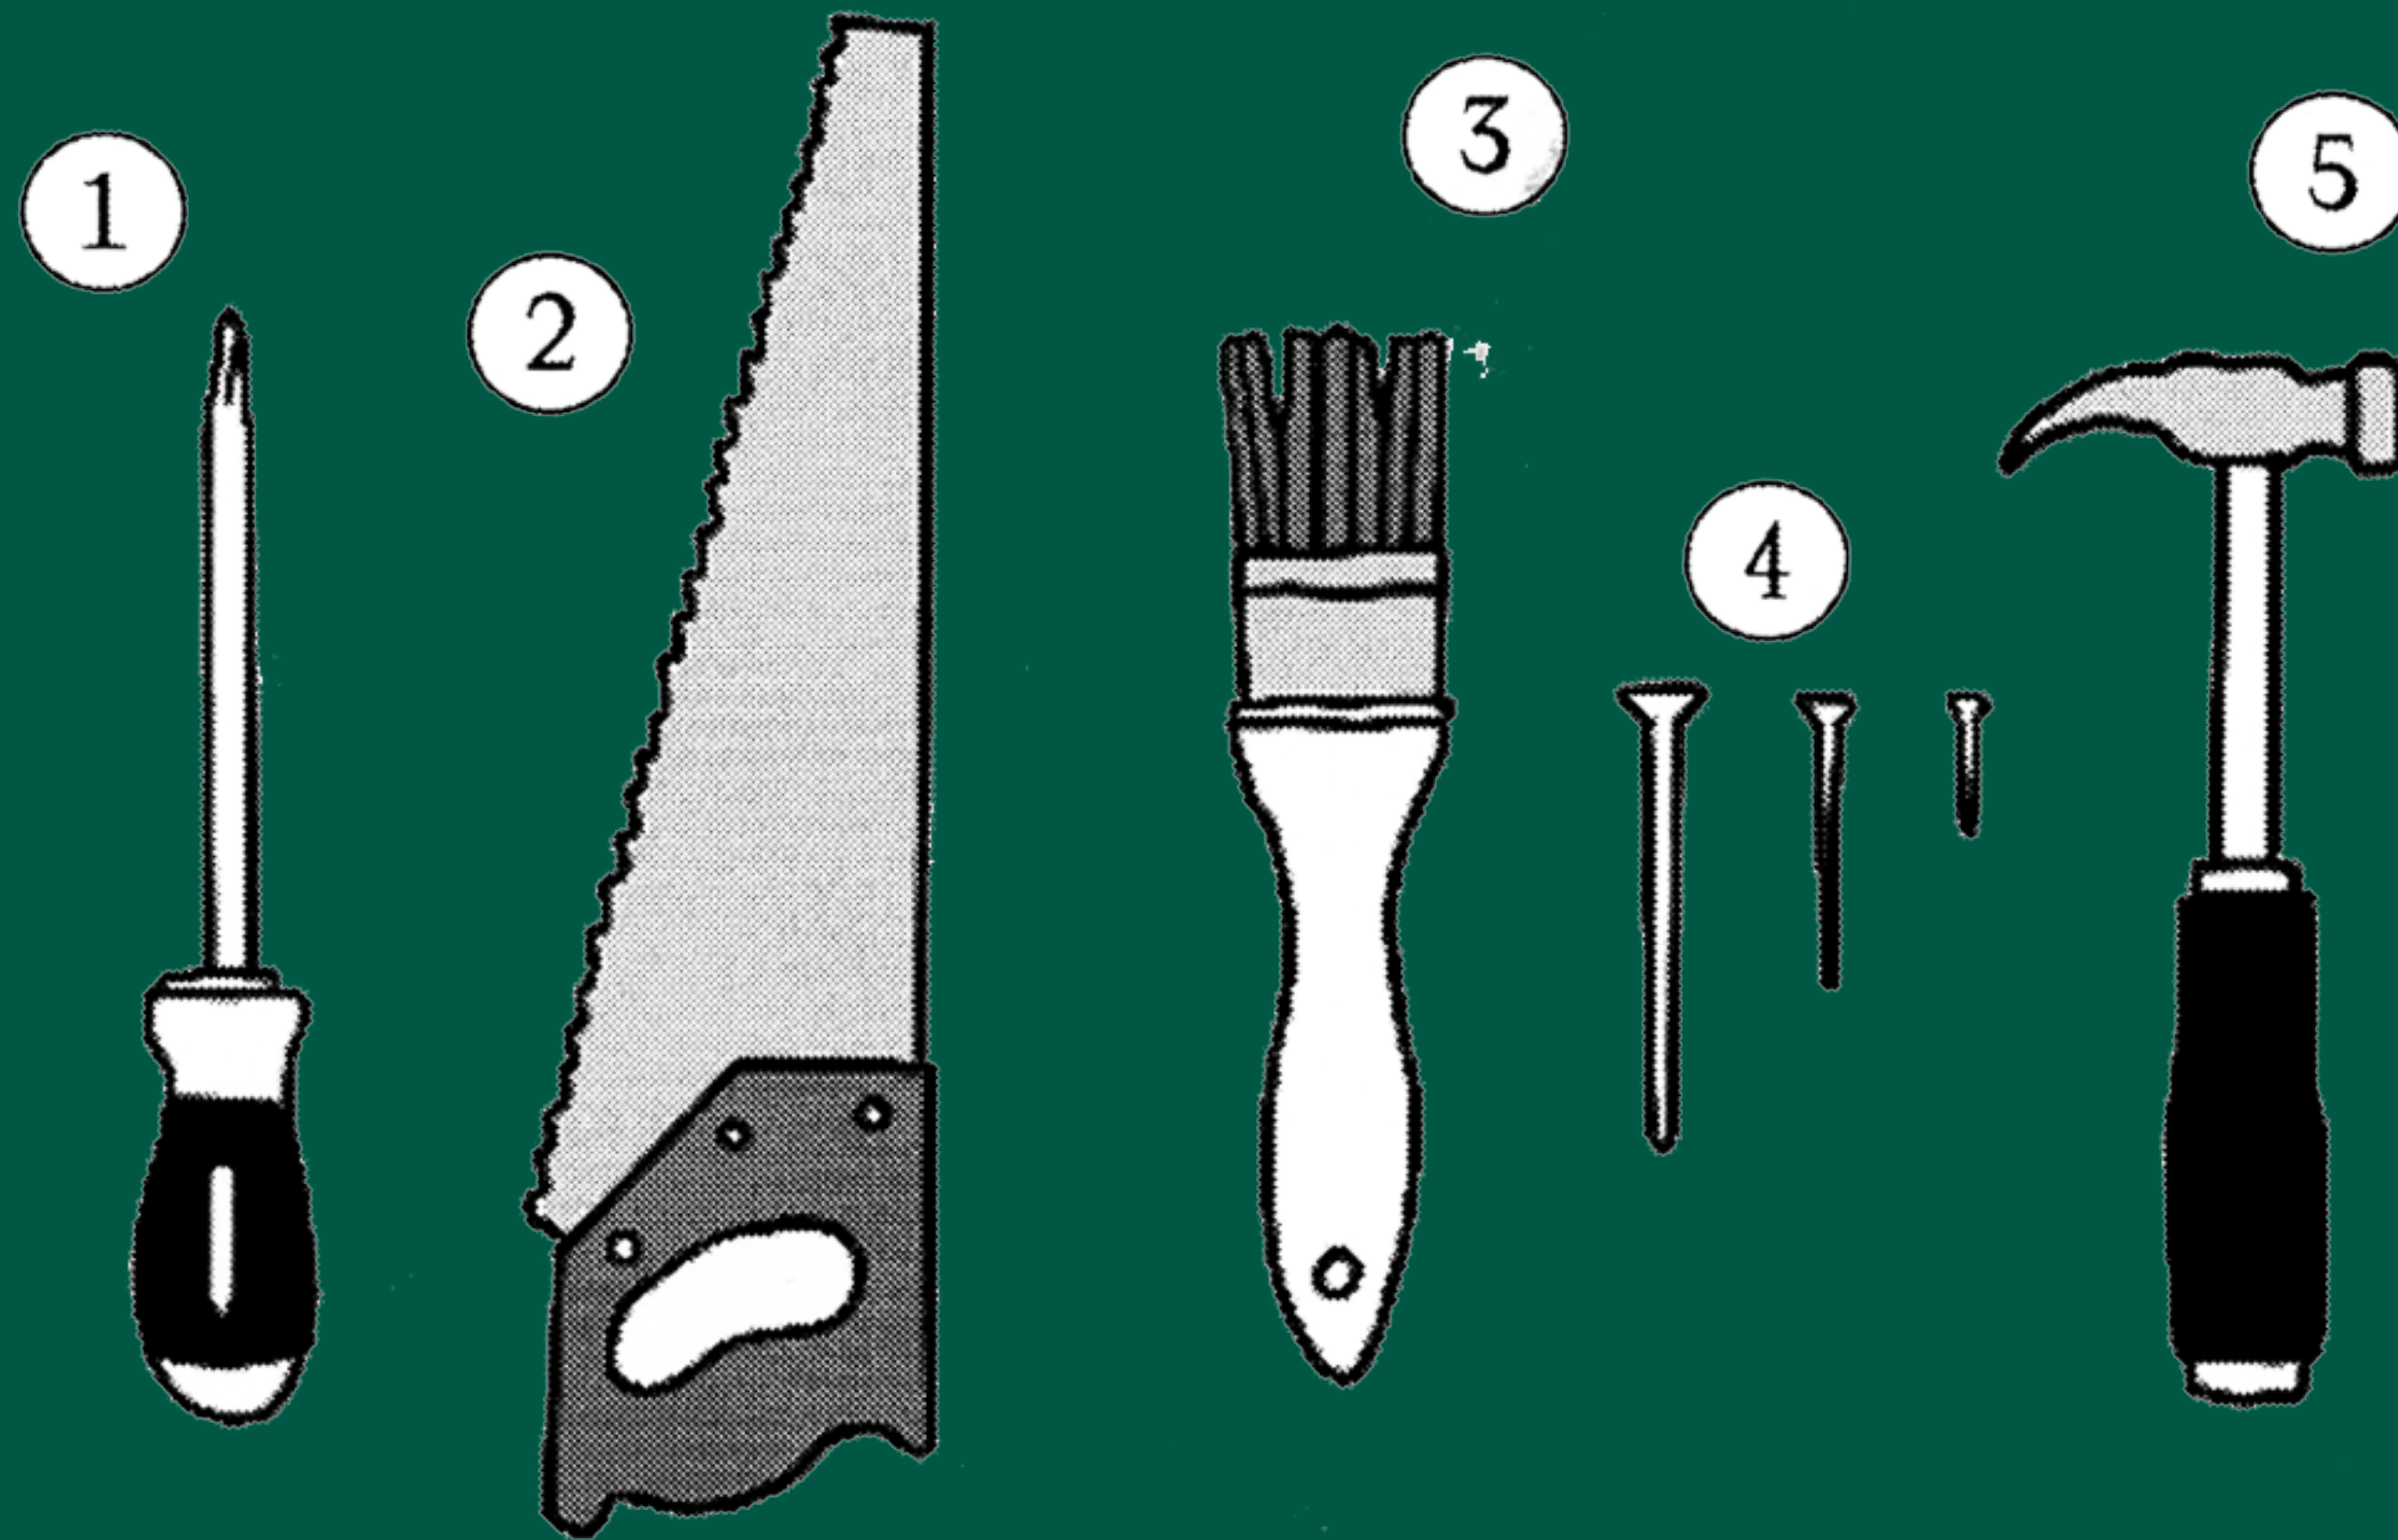

Hi! I'm Michelle and
I love process.

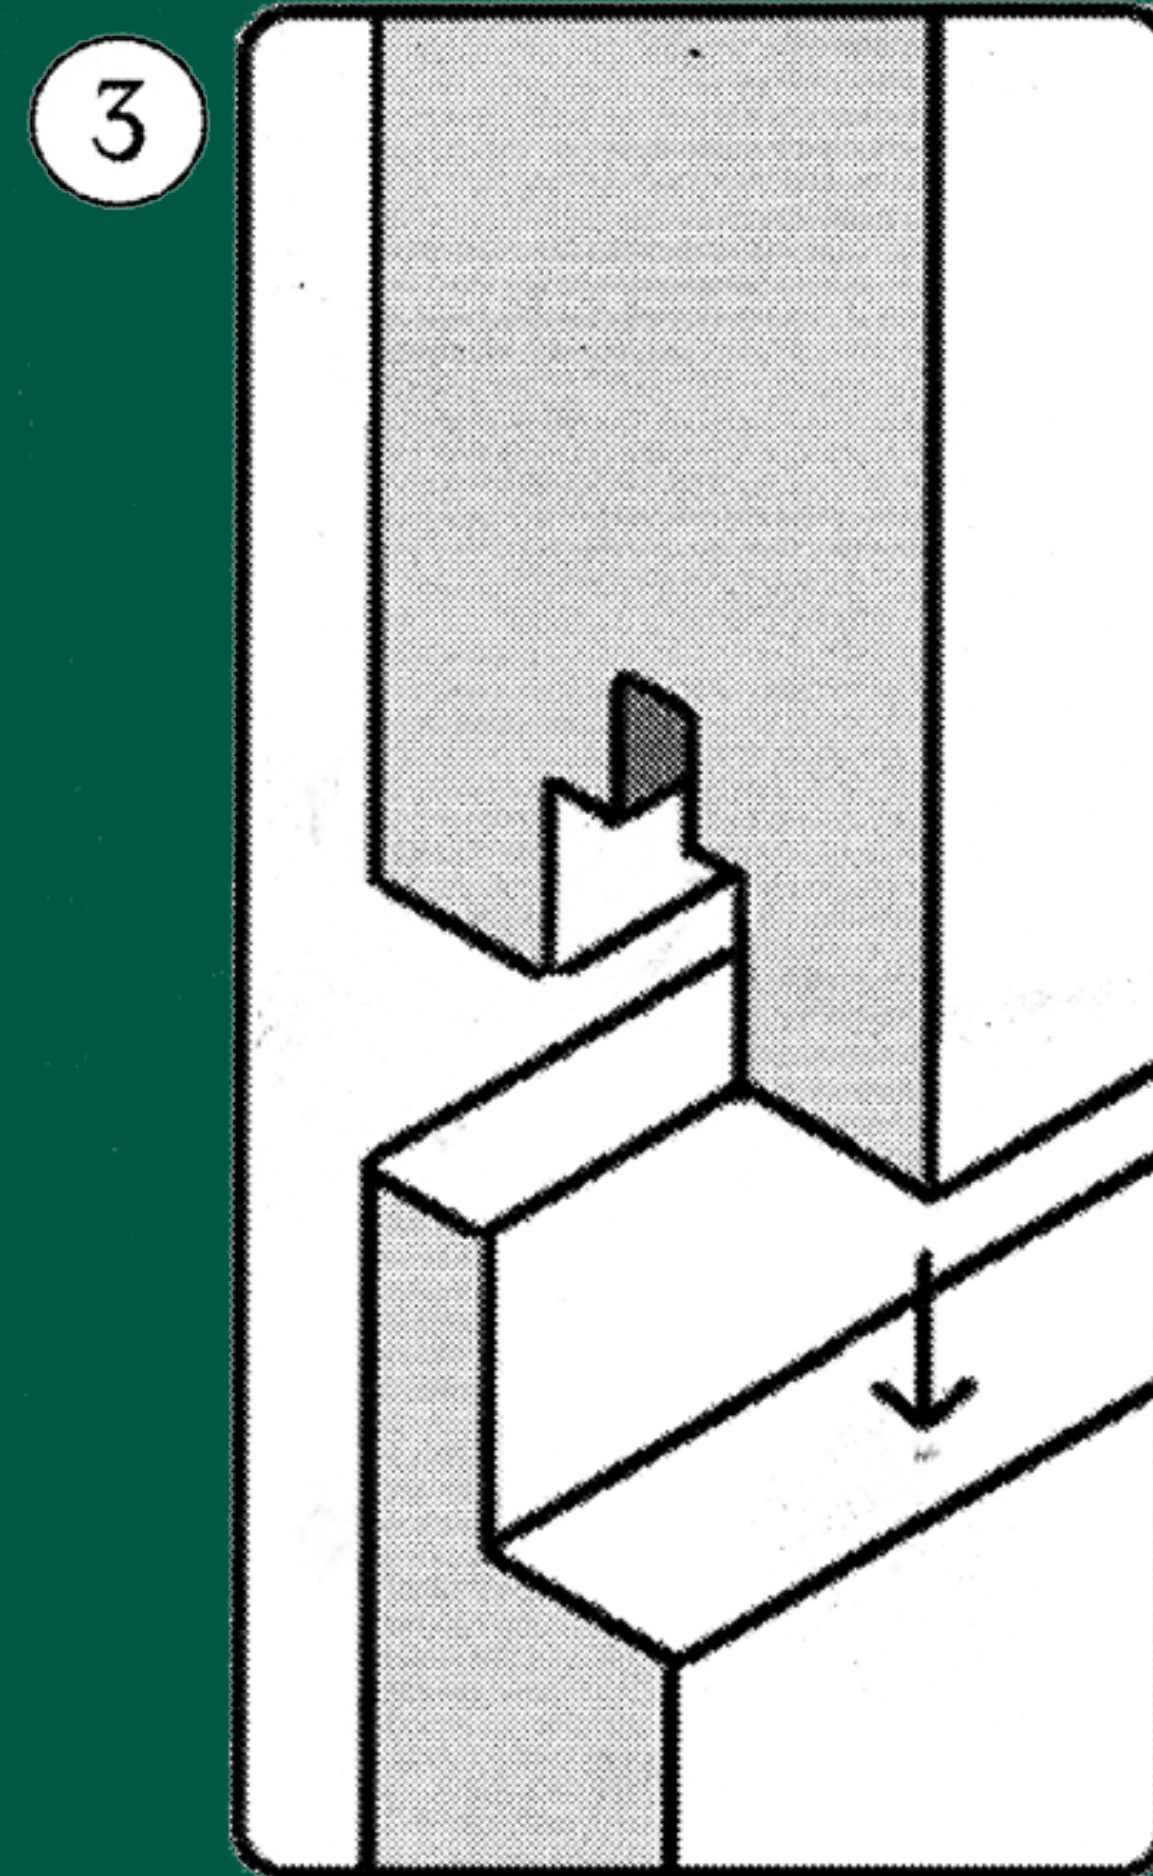

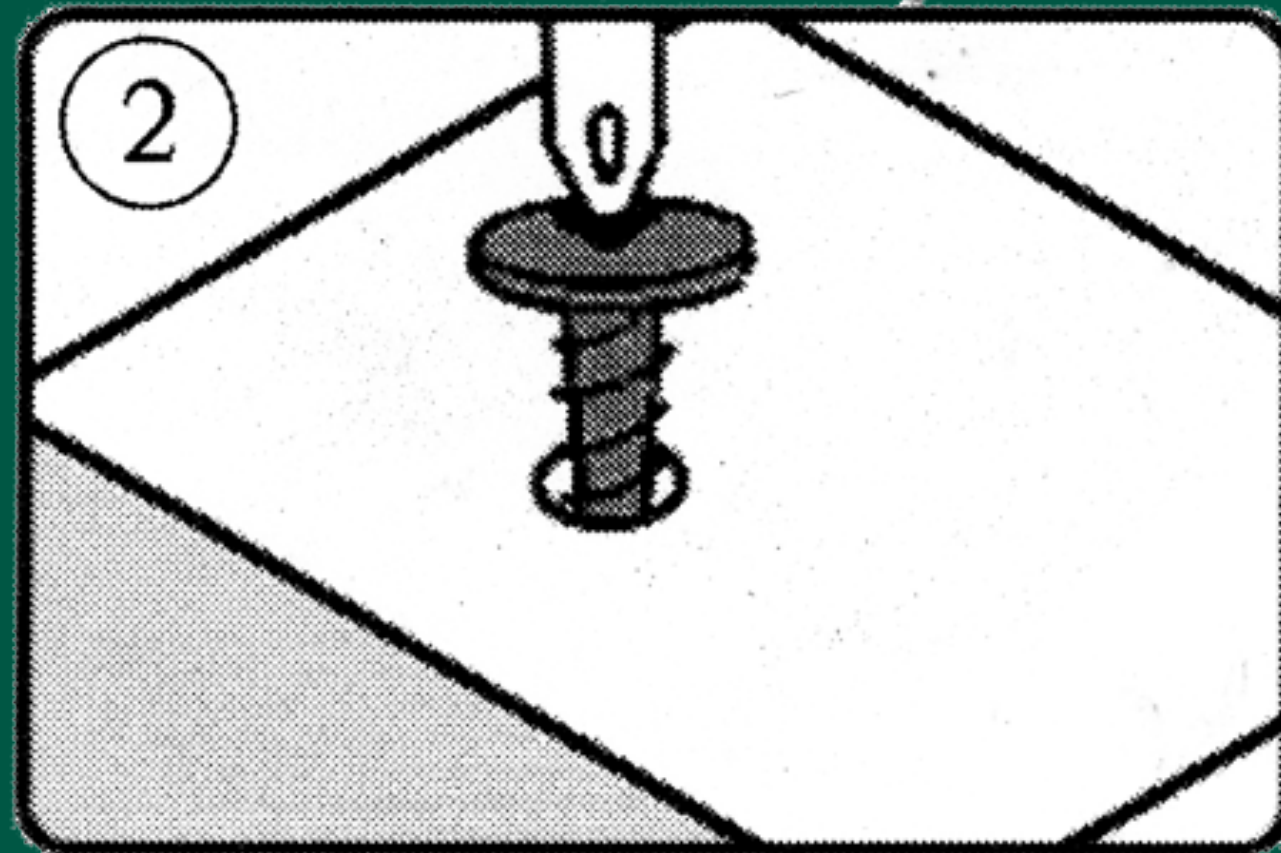

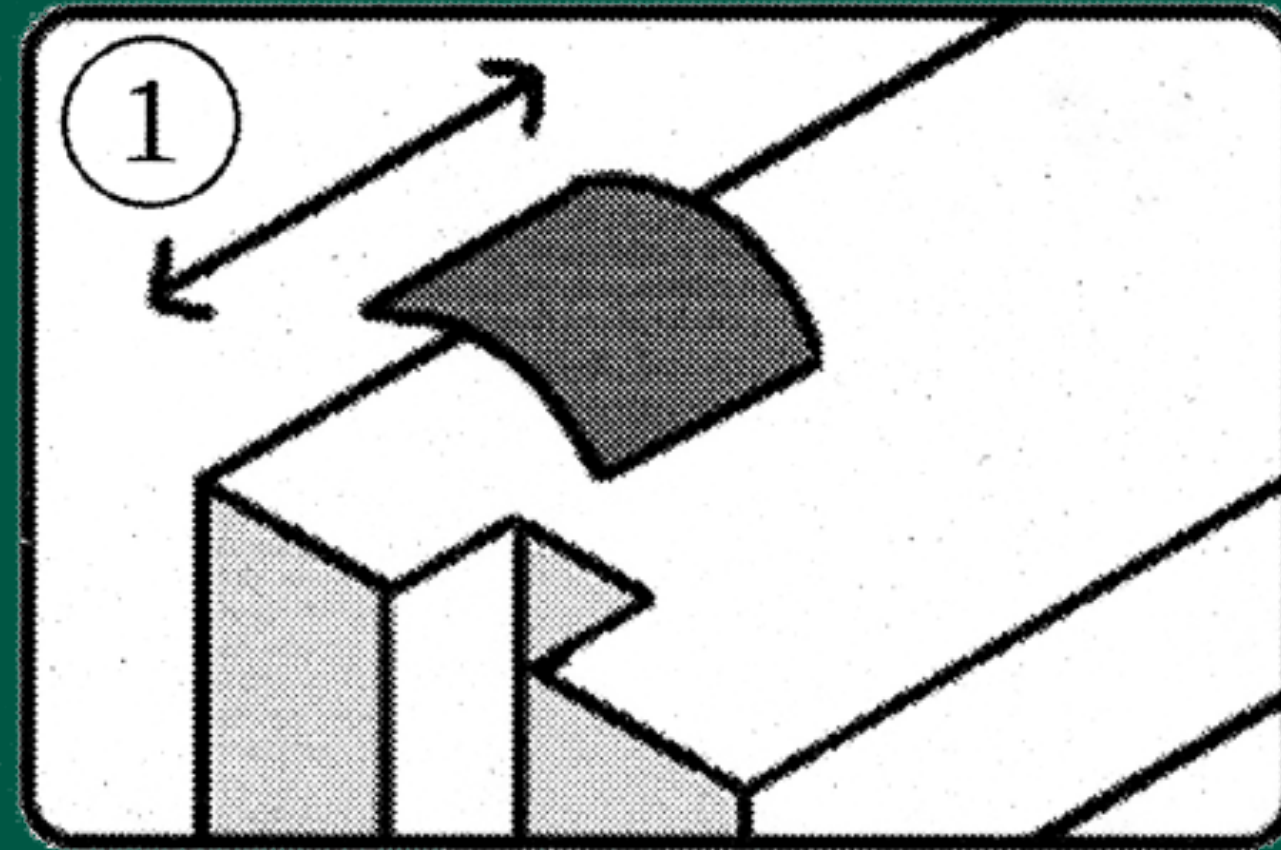

What is the difference?

Process vs. Practice

proc·ess

**A series of actions or steps taken
in order to achieve a particular
result**

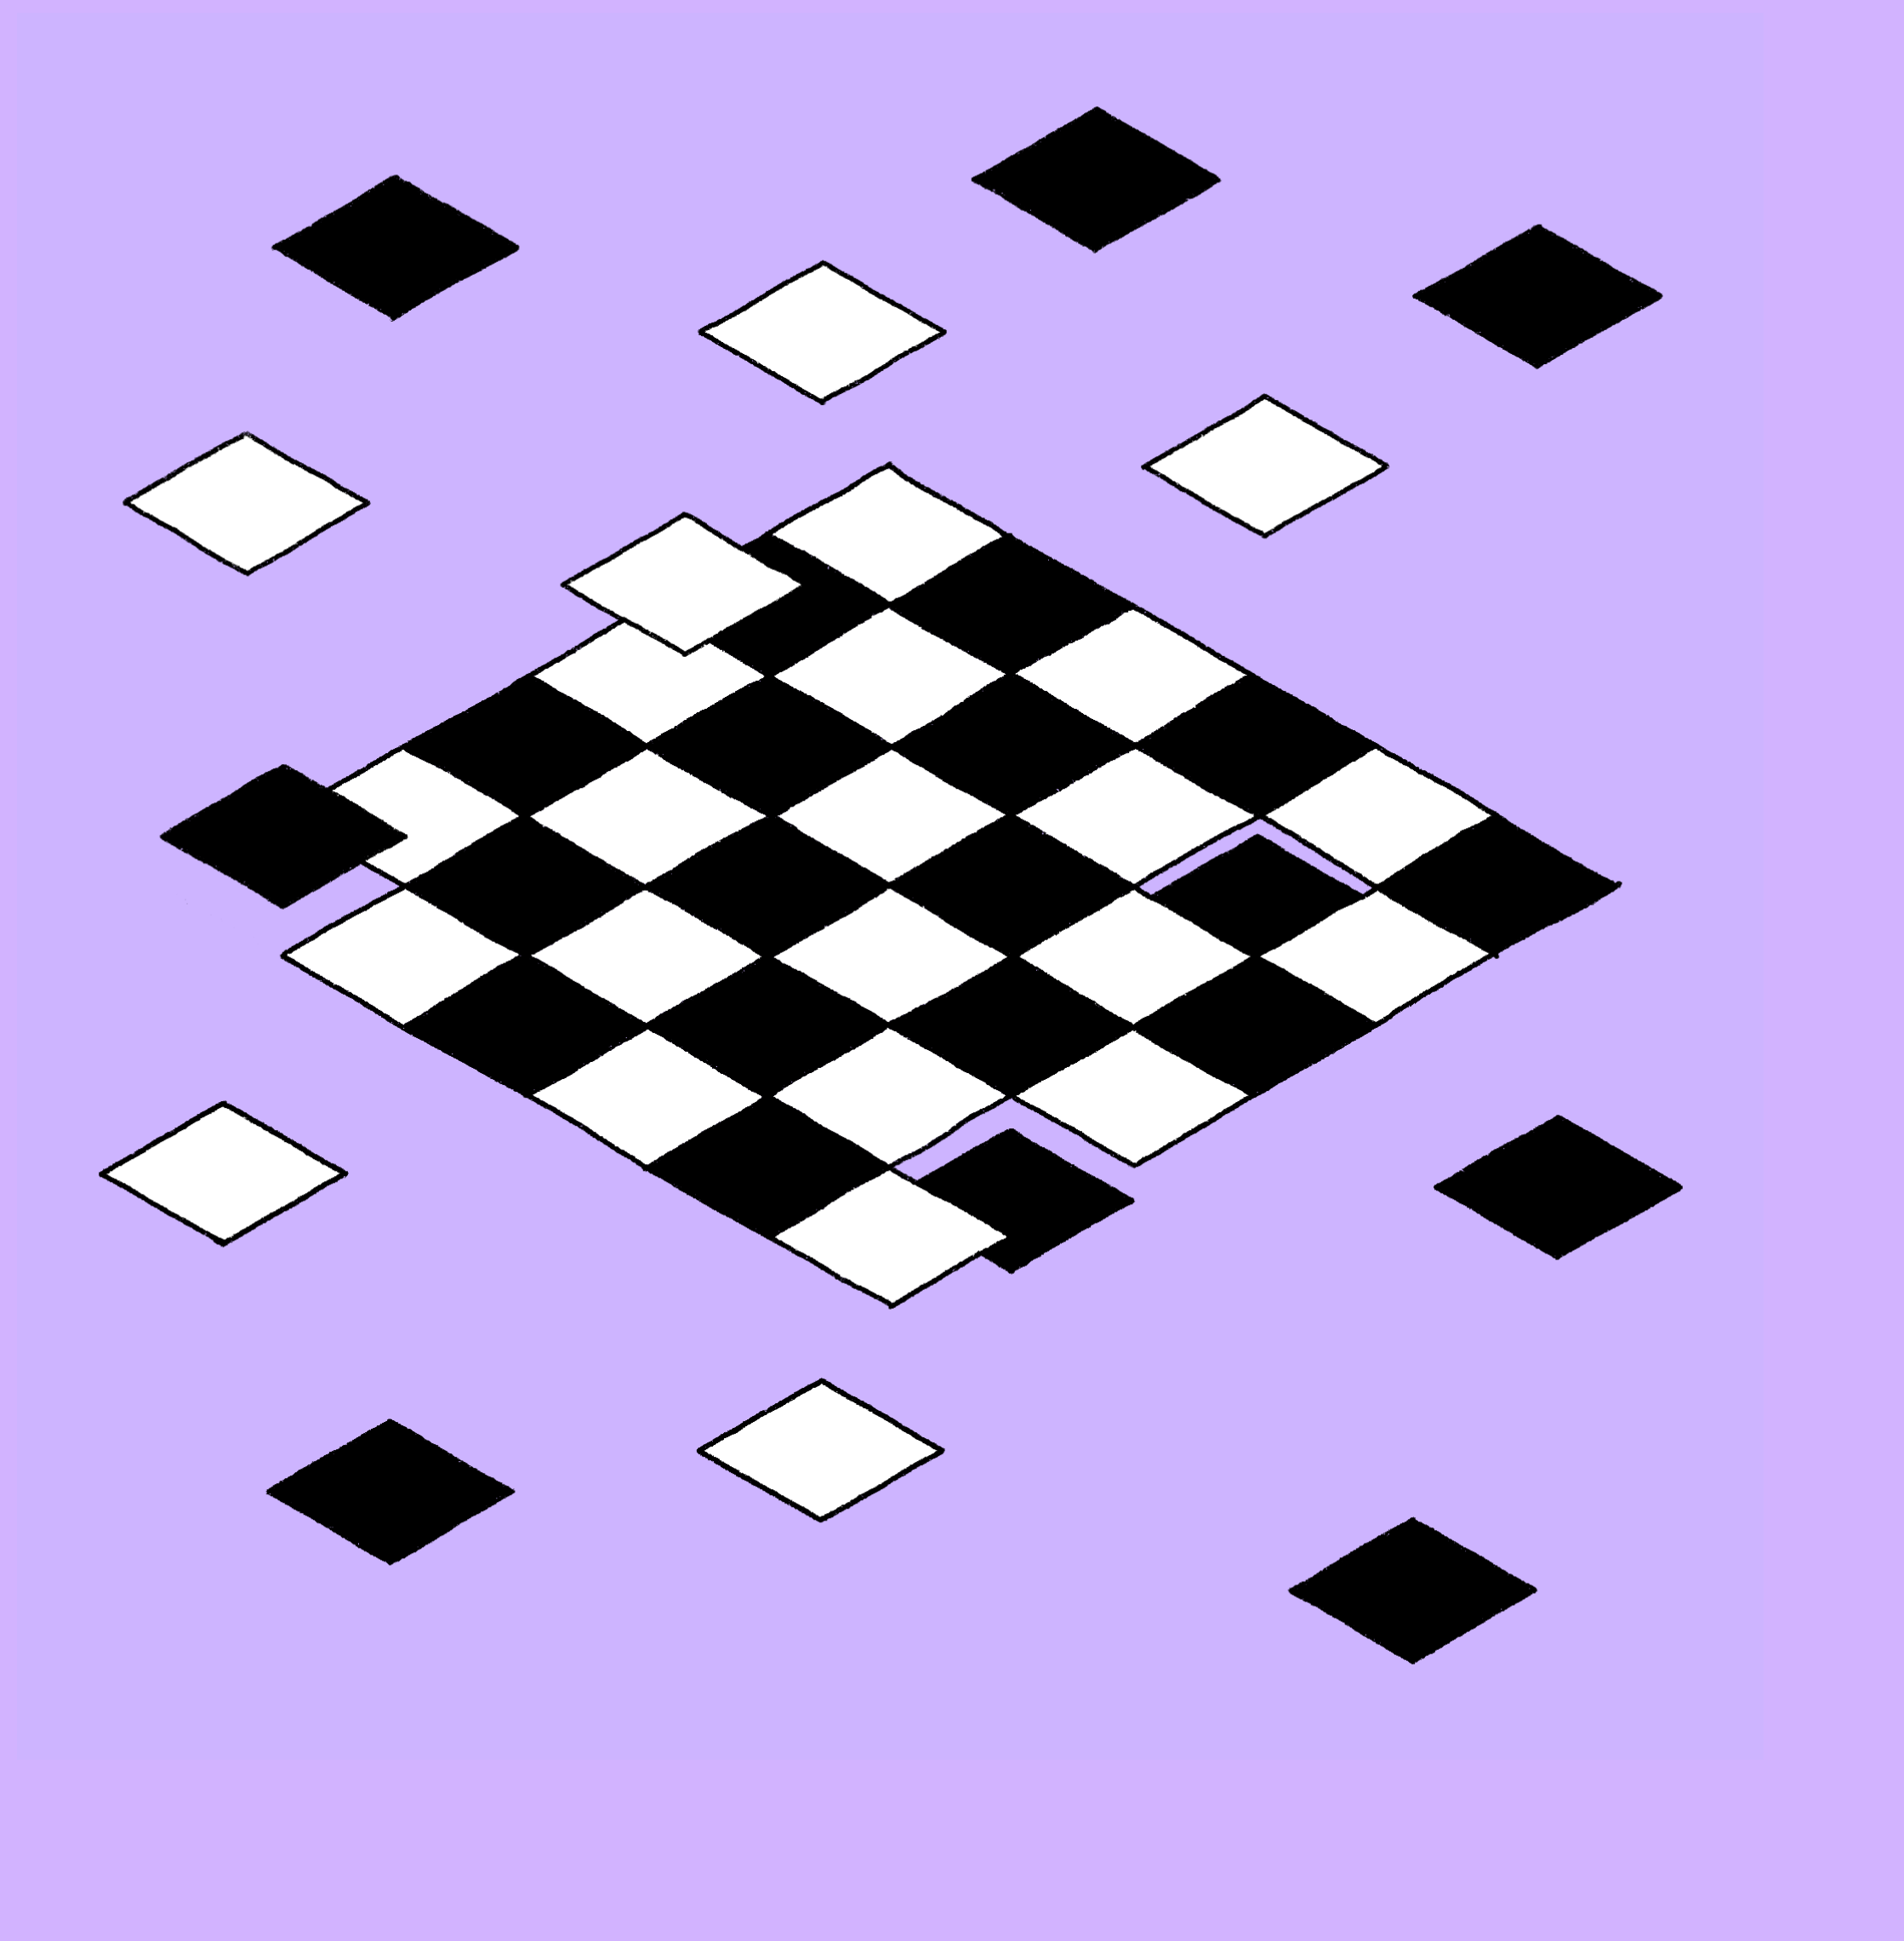

prac·tice

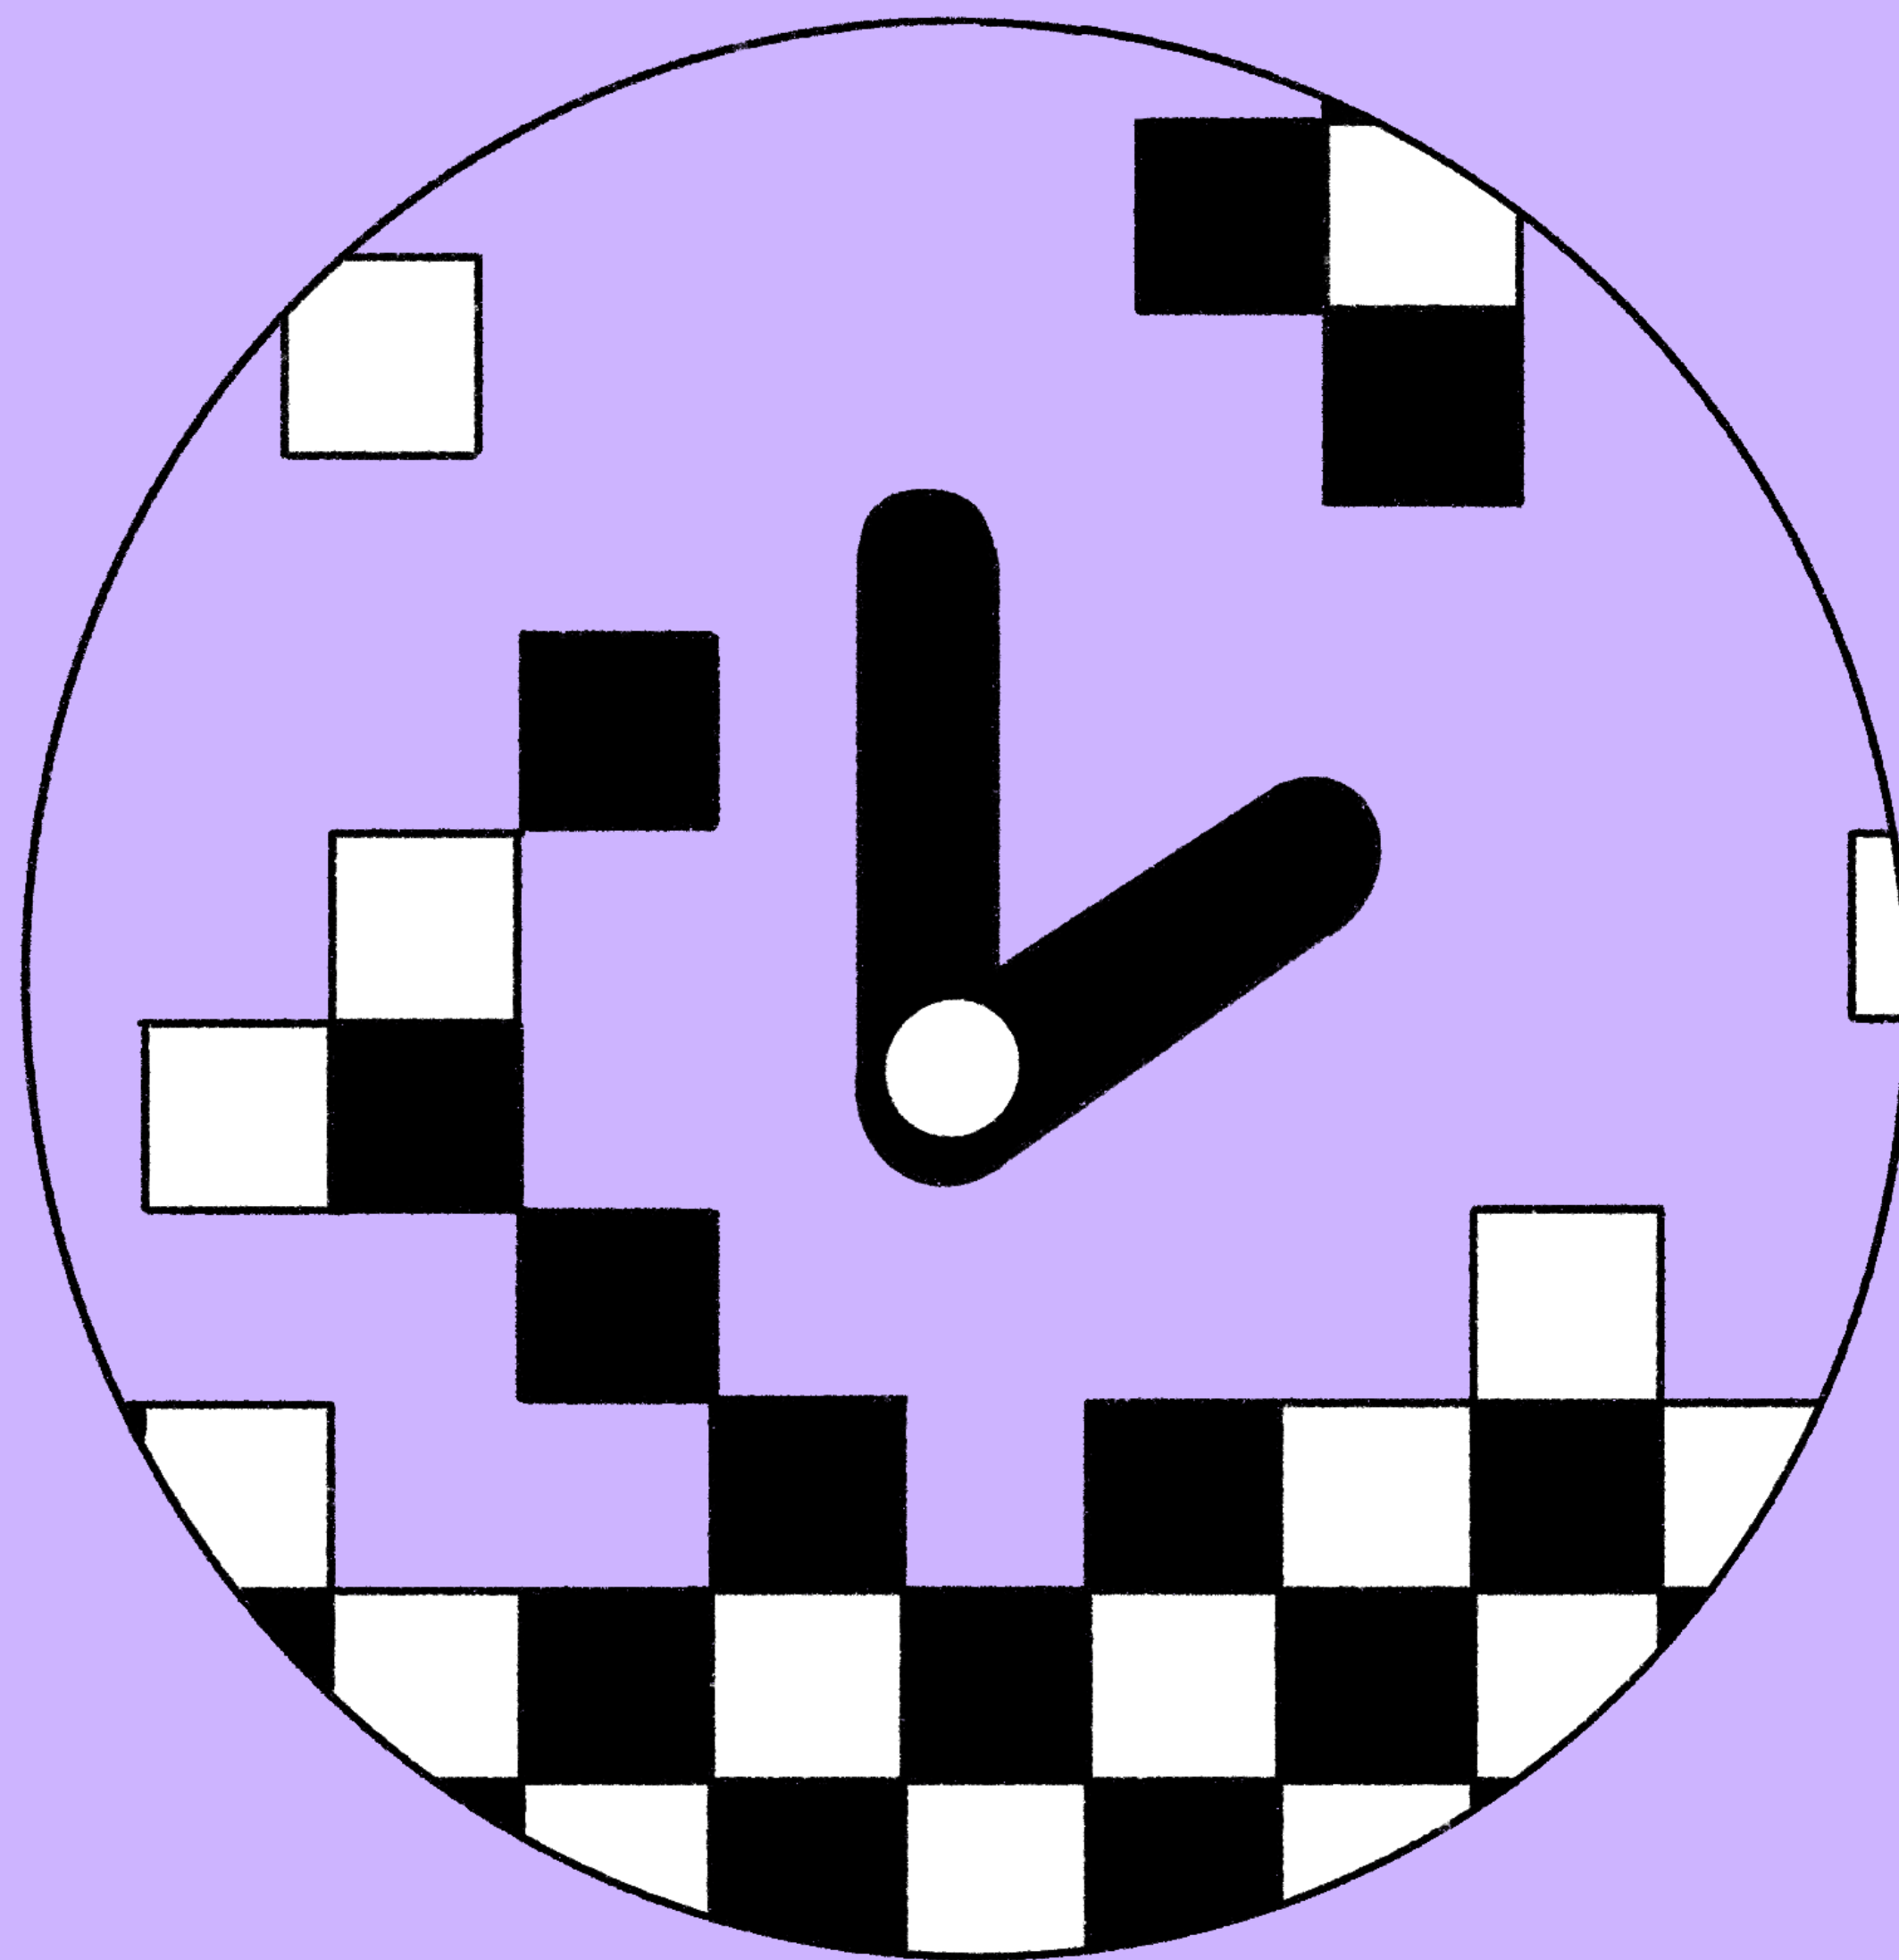

**The actual application or use of
an idea, belief, or method.**

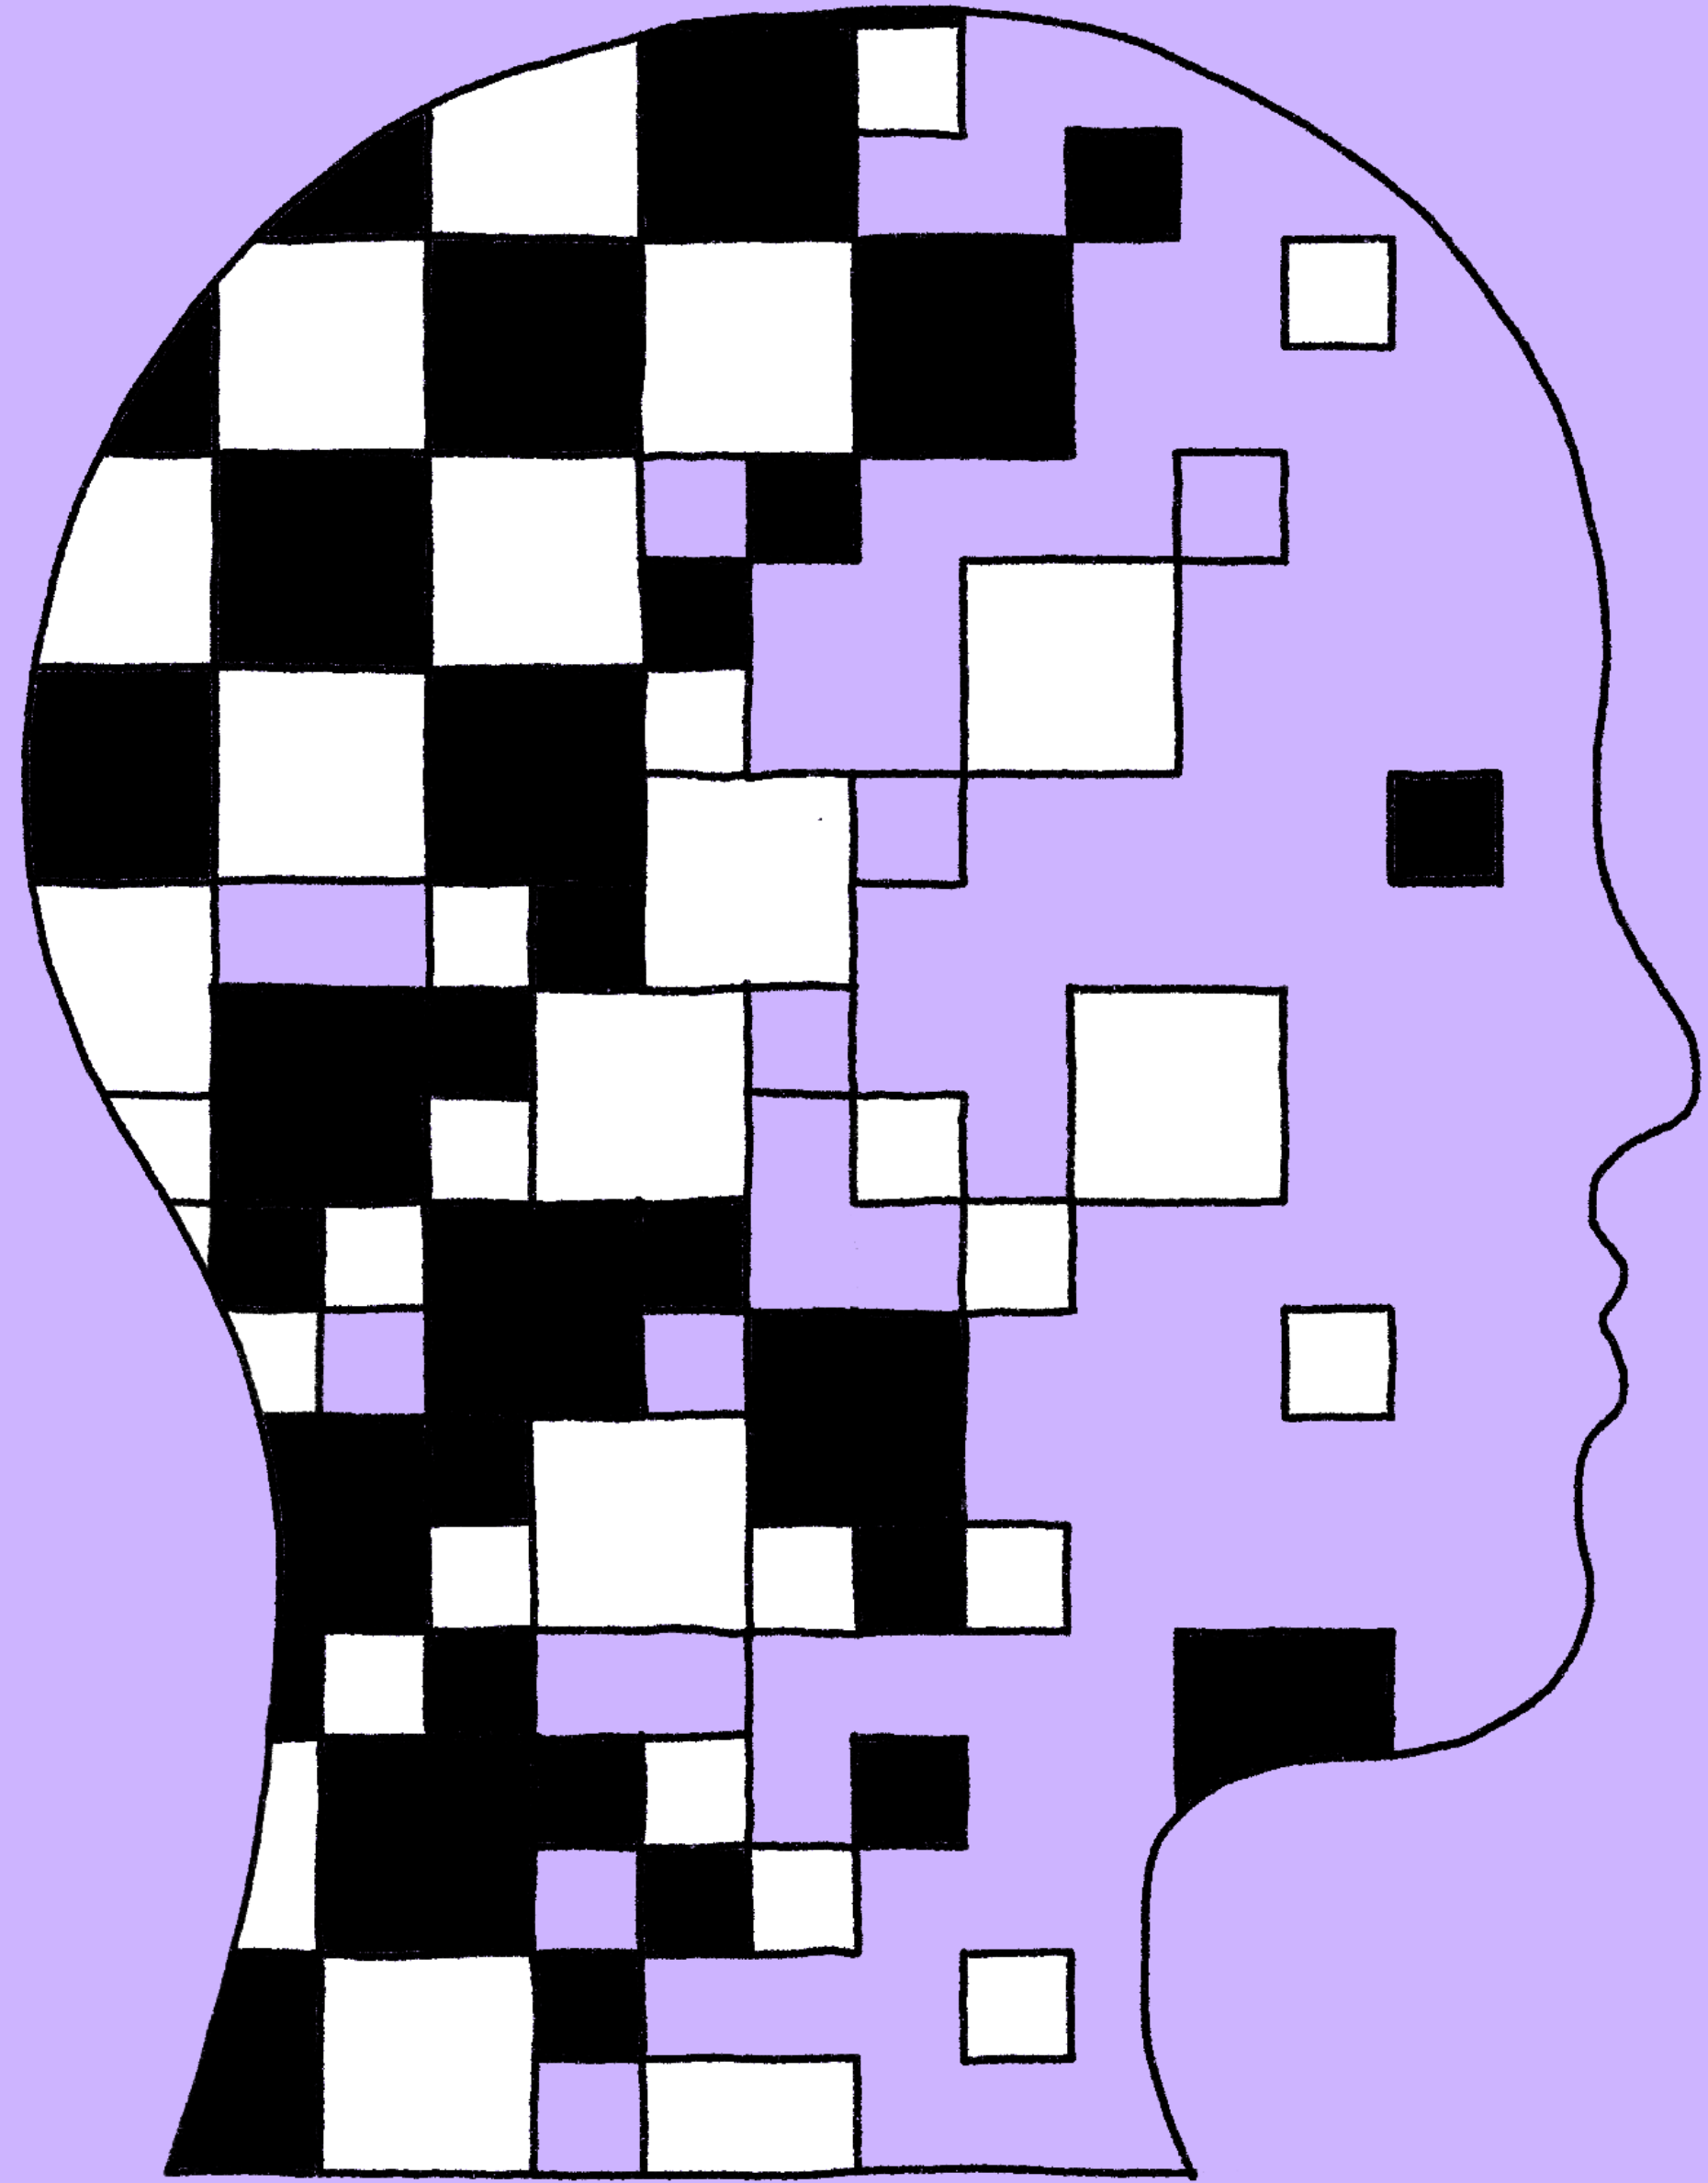

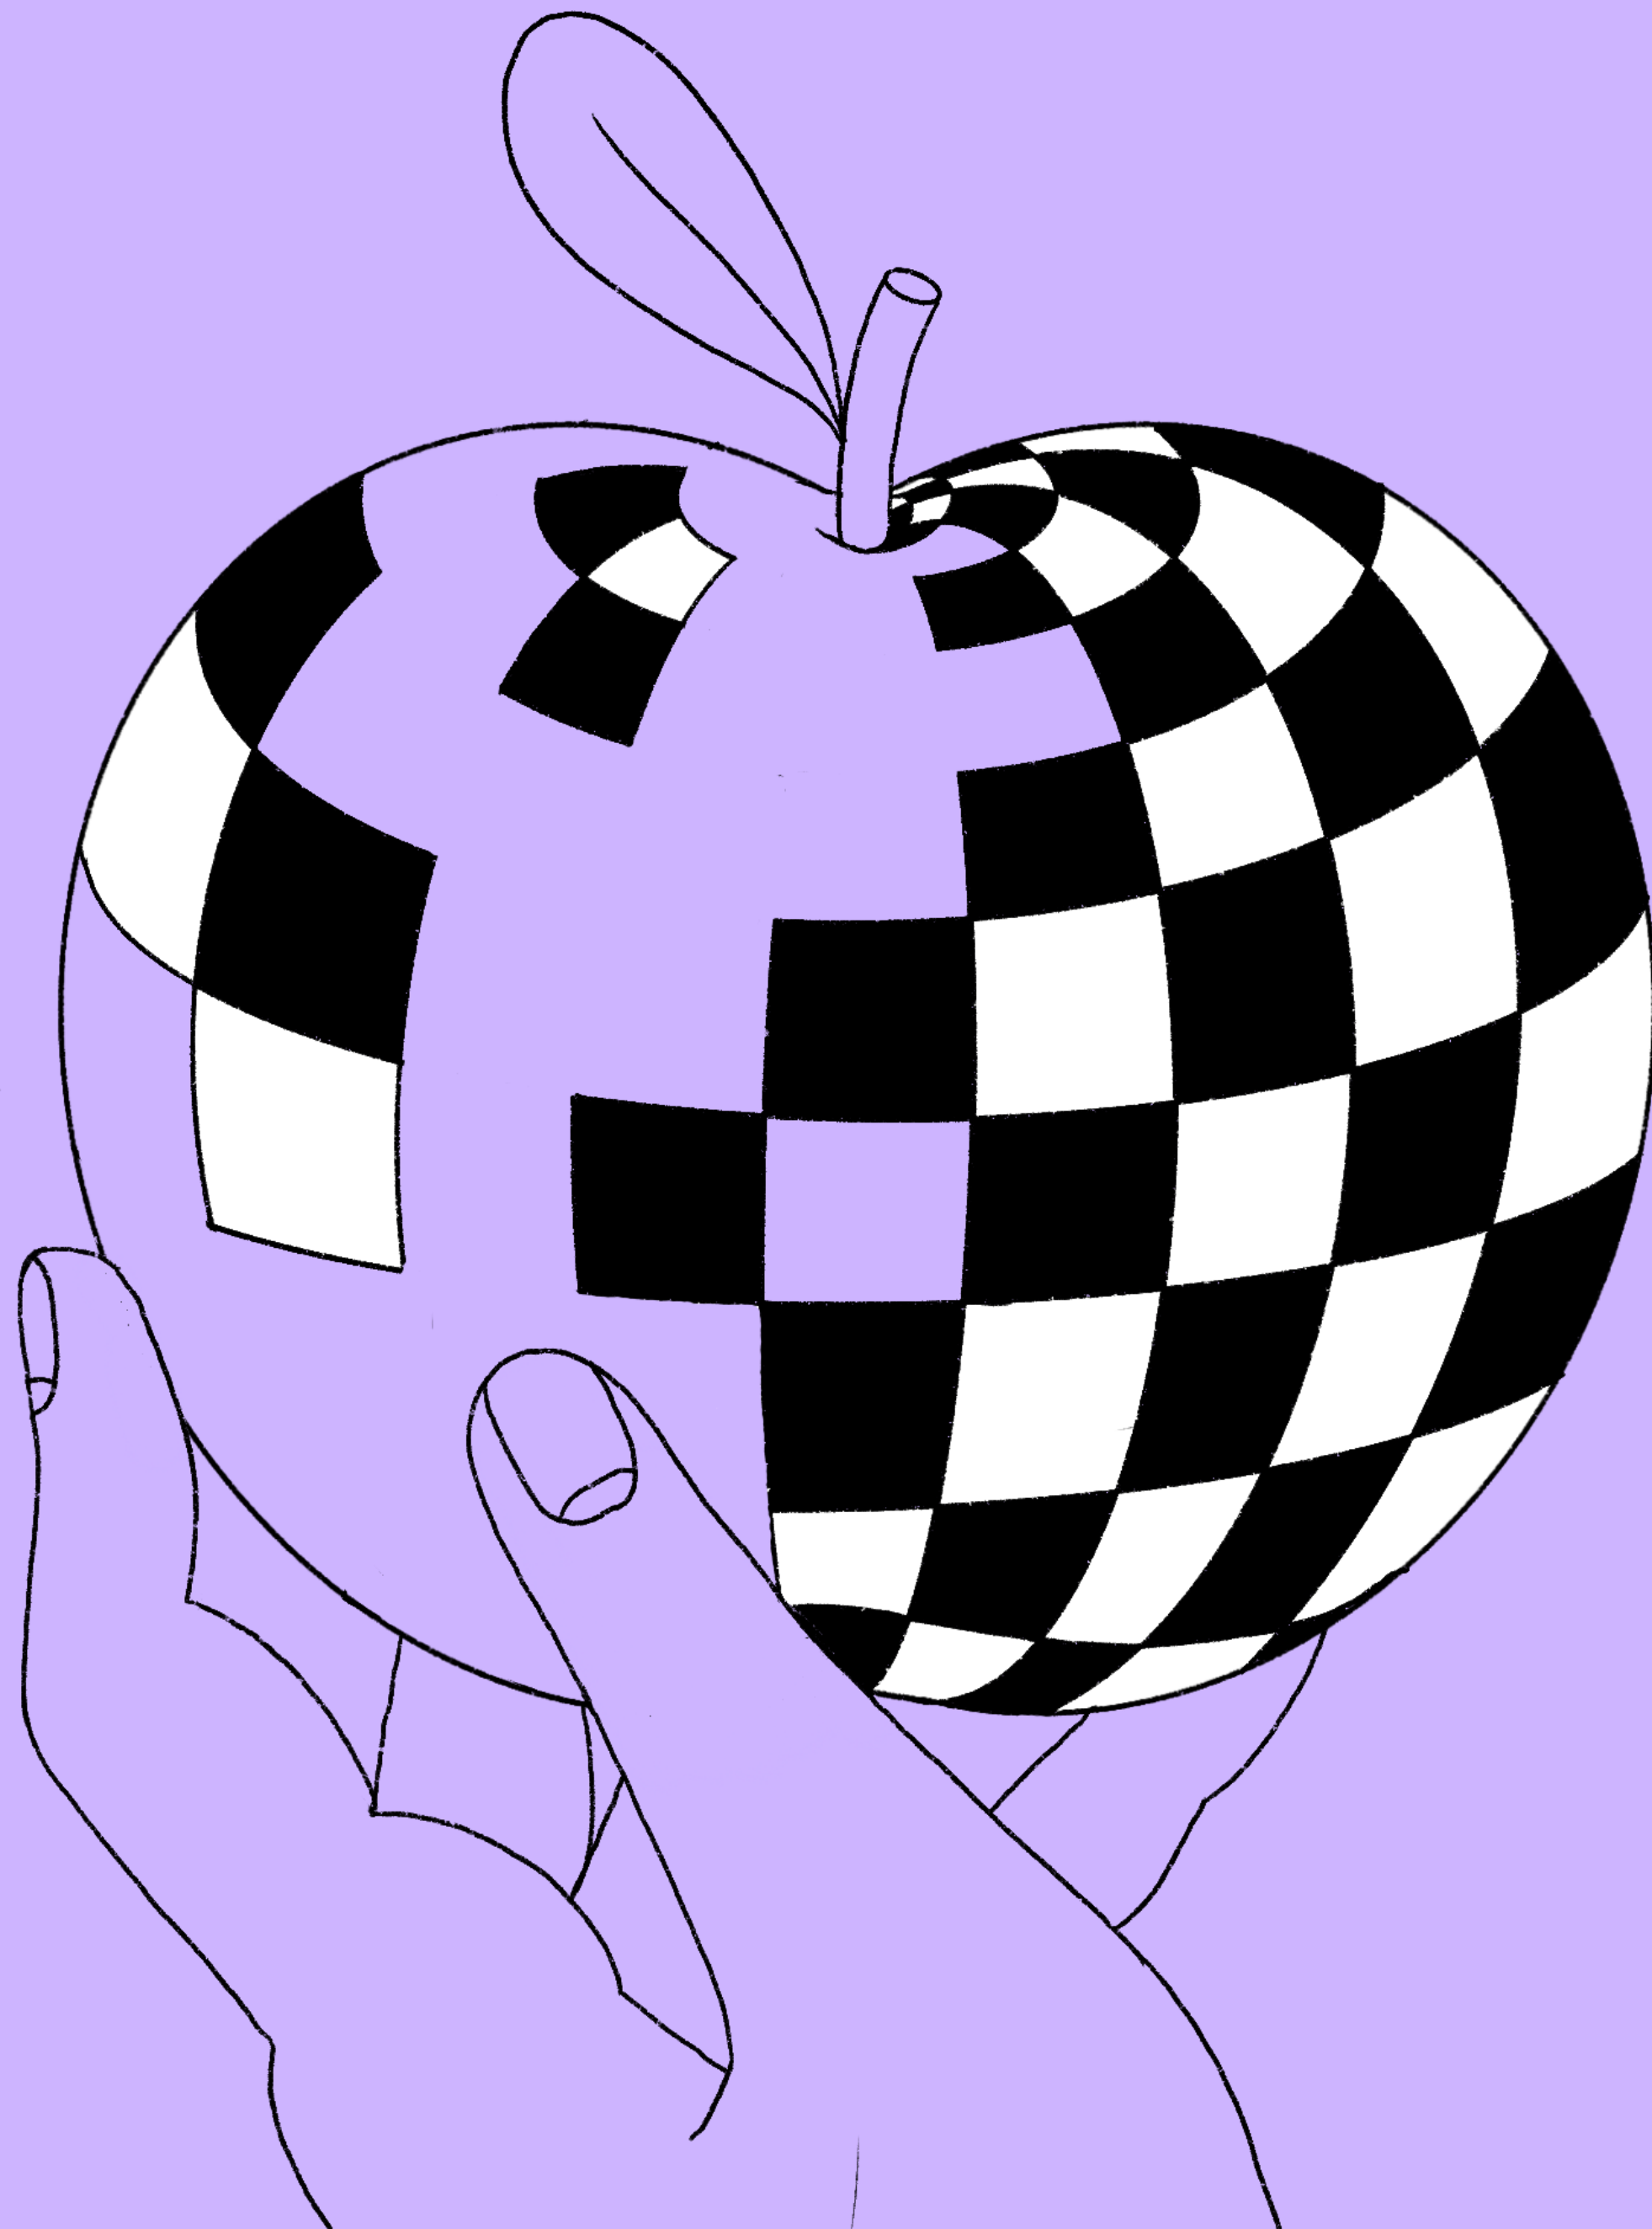

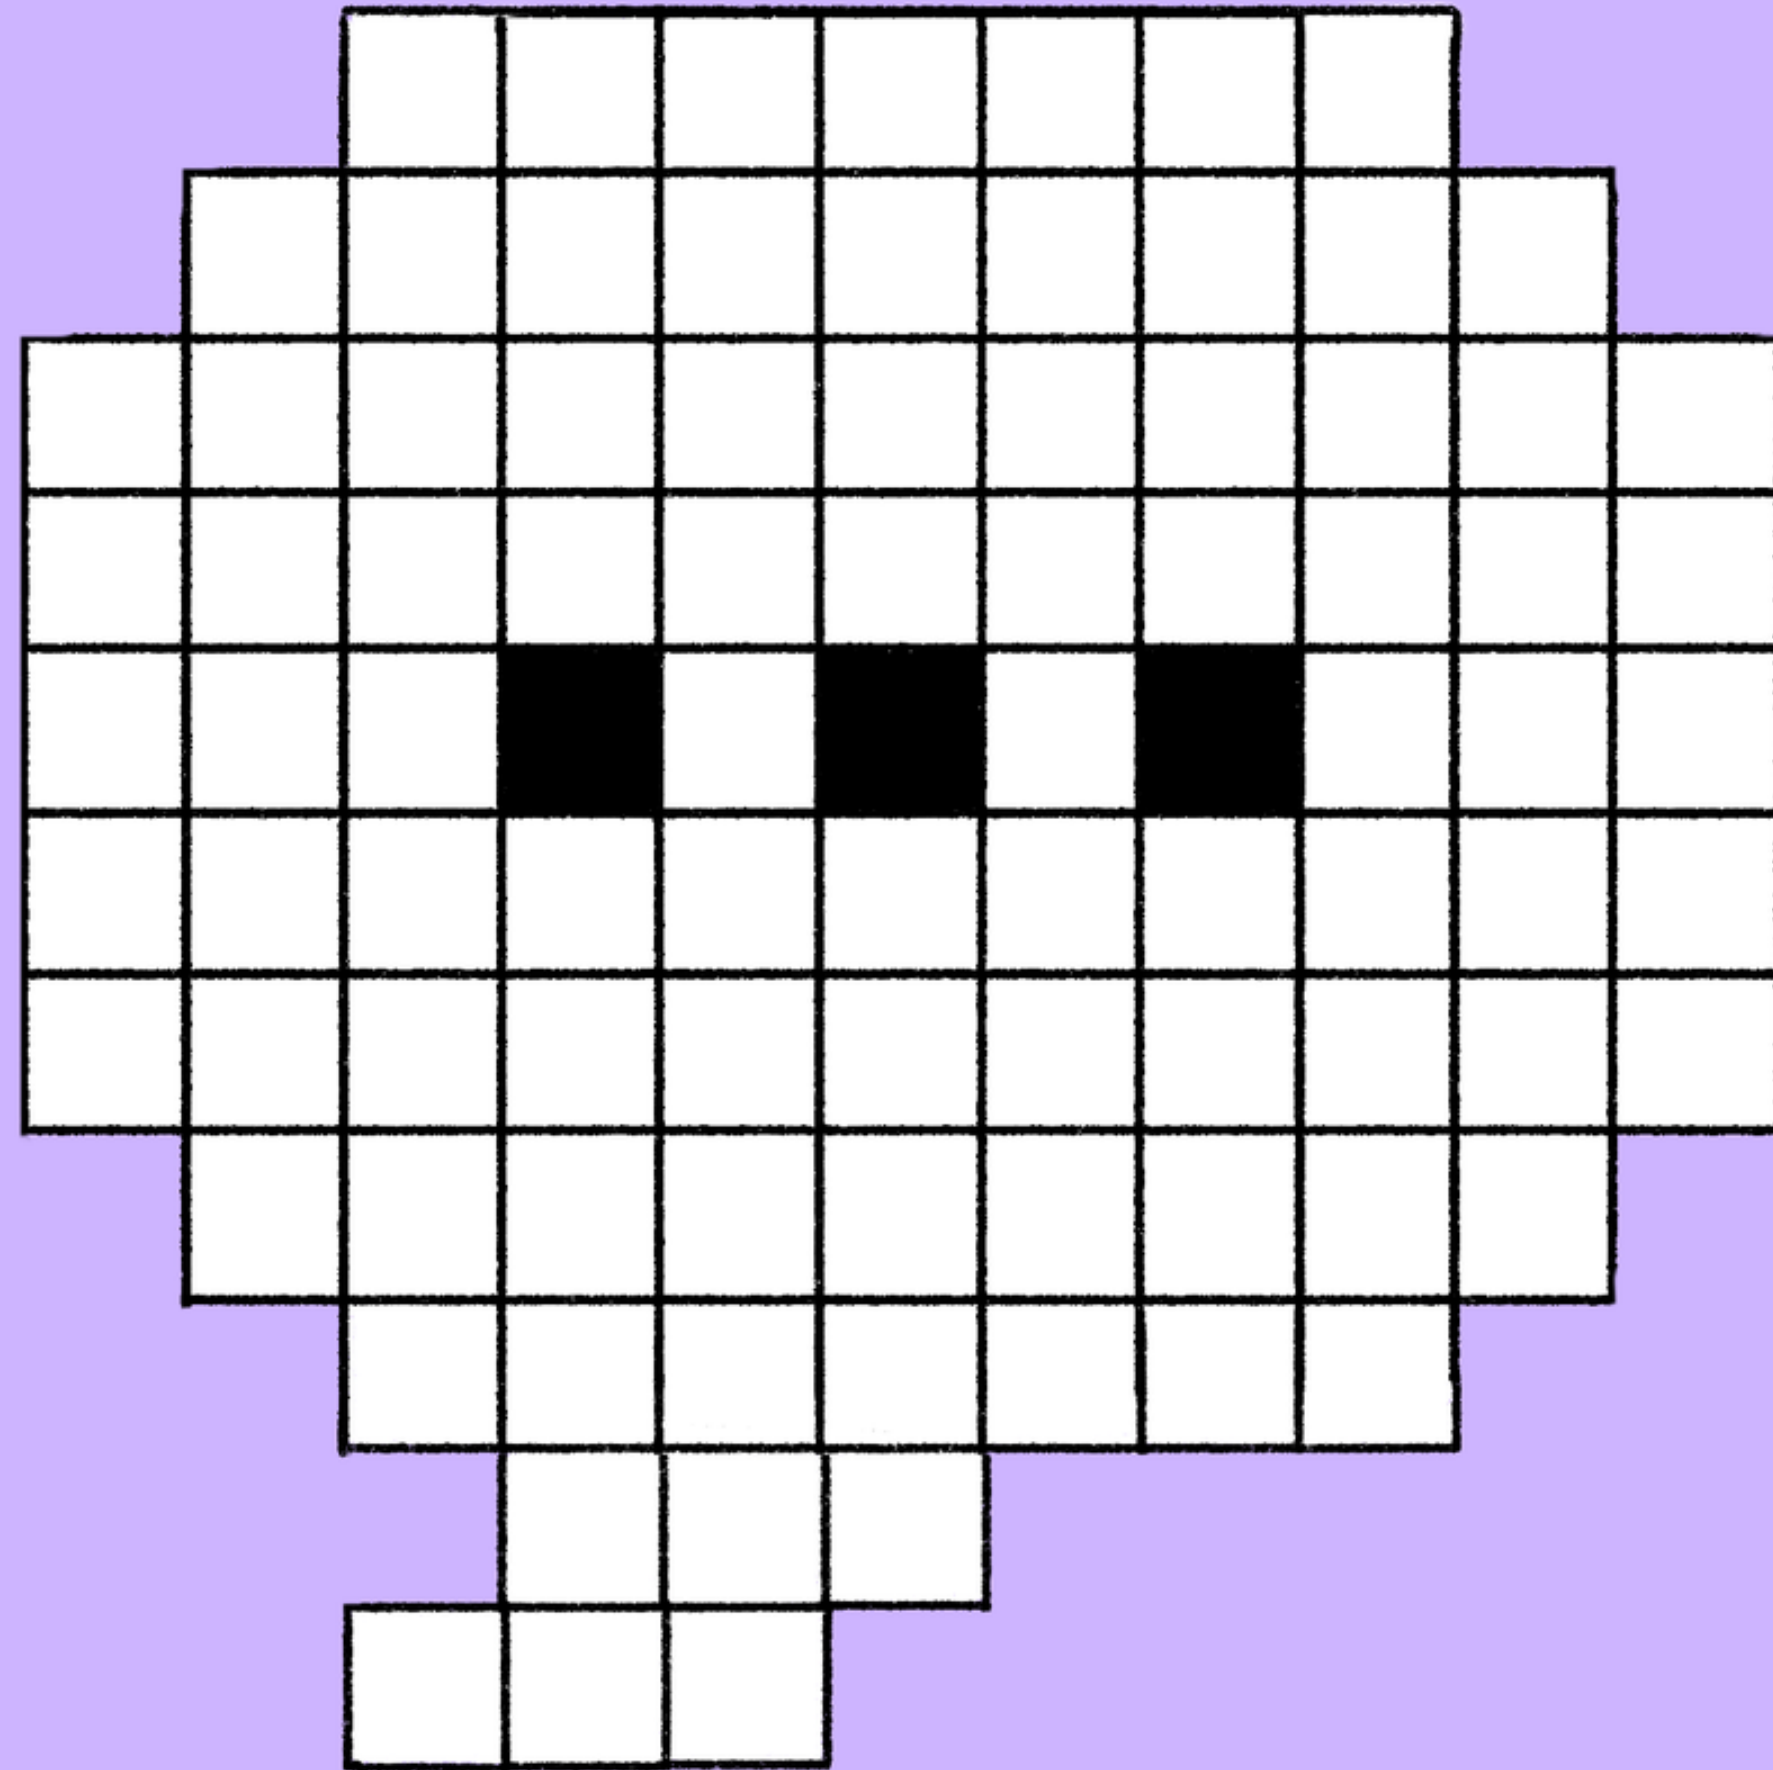

What's our greatest opportunity in the field of Design Ops?

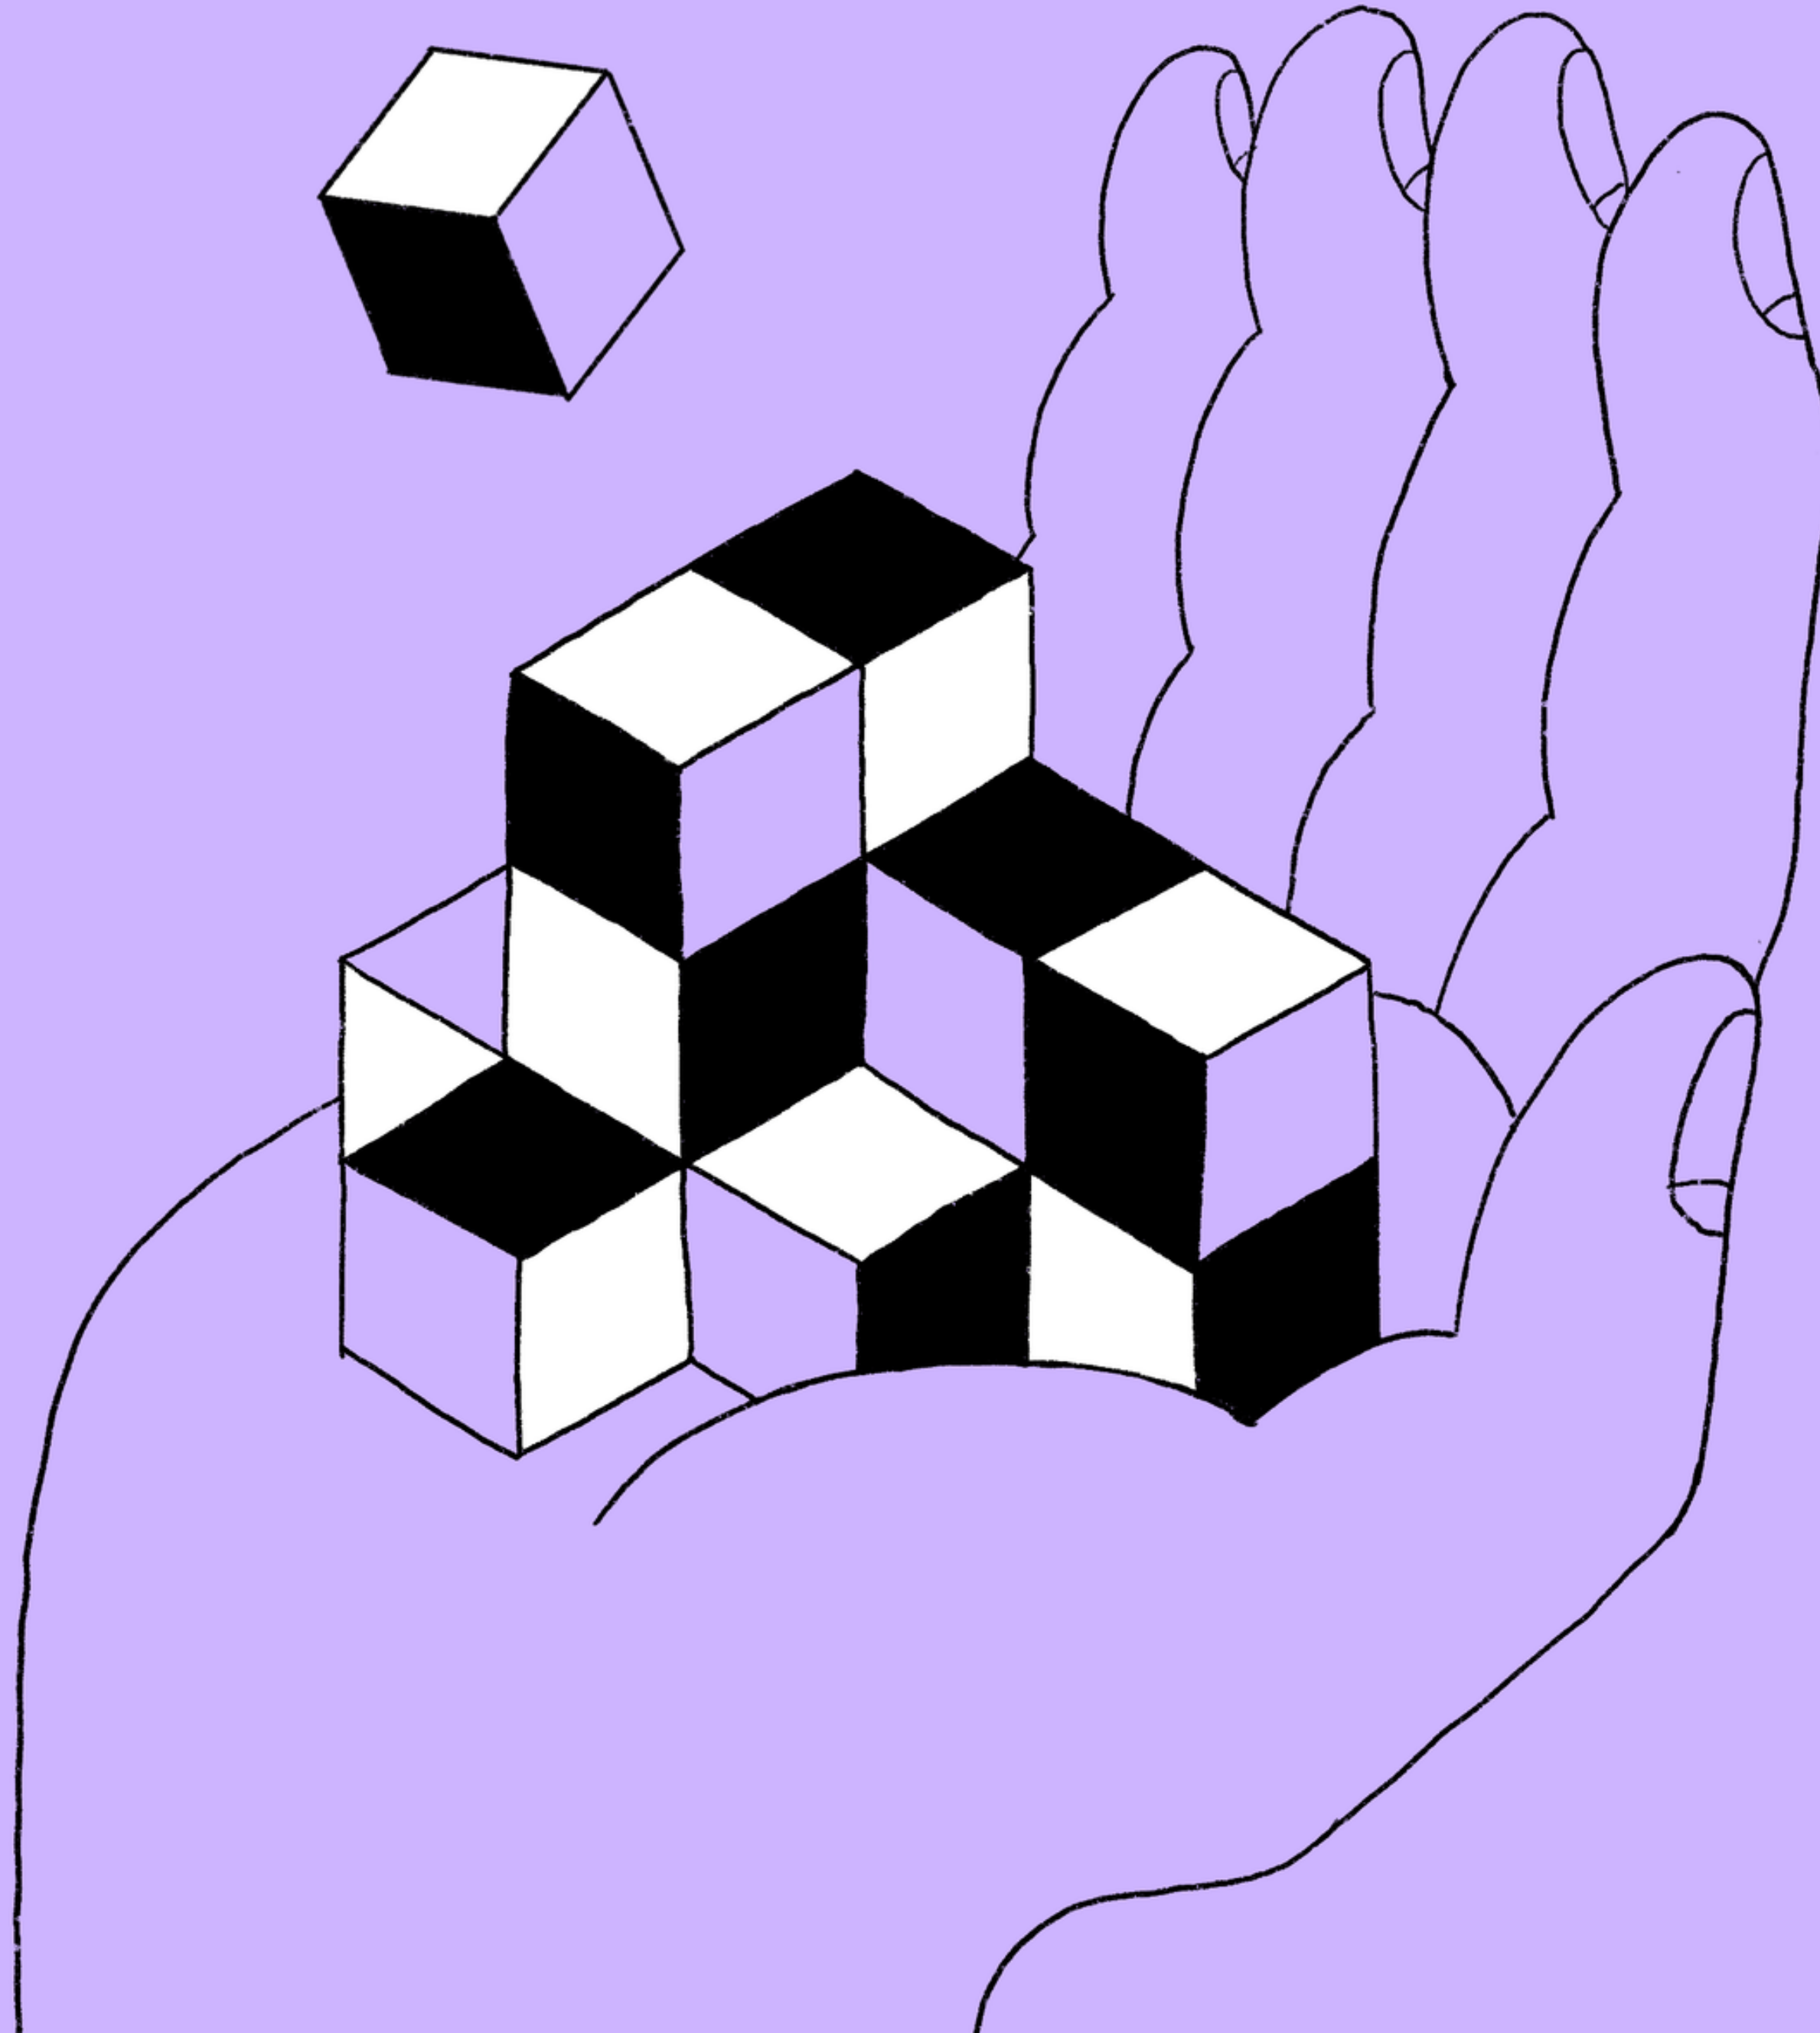

So let's
practice what
we preach!
